

## Your Privacy is our Commitment!

**eScrip uses card numbers solely to process the contributions generated by your purchases.**

- Your Card will never be charged for anything by eScrip
- eScrip is among the few processors to maintain VISA – “CISP”, which is “Cardholder Information Security Program” Certification for processors
- Participating Merchants approve of eScrip security system protocols

### **Question**

1: Could my purchase information be sold to third parties?

2: Are my purchases accessible to other merchants?

3: Will anyone see what I buy at the store?

4: What about online security issues?

### **Answer**

1: No, eScrip will not sell or rent any personally identifying information about program participants to any third parties.

2: No, purchase activity is not shared between program merchants.

3: No, purchase item detail is not sent to eScrip.

4: [www.escrip.com](http://www.escrip.com) is a VeriSign Secure Site. All information sent to this site is encrypted, protecting against disclosure to third parties.
